Dear David:

The results of the online Teaching Effectiveness Questionnaires for the Summer Semester, 2007 have arrived, and you are to be commended on the results. You scored 5.0 out of a possible 5.0 in overall teaching performance. It is certainly gratifying when your students unanimously affirm that you are an outstanding instructor. There is no higher recognition.

I want to thank you for the extra effort you put into providing a quality and rewarding educational experience for our students. Your energy and dedication are truly appreciated. Please let me know if there is anything more we can do to help you enhance your teaching efforts.

My best wishes for continued success.

Sincerely,
